

Fresh Ideas Poster Contest
2019 AWWA-IA Annual Conference
October 22-24, 2019
Ames, IA

Call for Abstracts

The Iowa Section of the American Water Works Association (AWWA-IA) is pleased to announce an opportunity for students and young professionals (YPs) to participate in the 2019 AWWA-IA Annual Conference and share the results of their work. This contest offers students and YPs the opportunity to gain presentation experience, learn more about the drinking water industry in Iowa, as well as network with professionals. Applicants will be selected based on technical content (the application of sound engineering/scientific principles to ensure the best solution) and benefit to the drinking water industry.

Completed applications and abstracts are due by **August 30, 2019** and should be submitted **via email to Katie Greenstein (katie.greenstein@dnr.iowa.gov)**. Selected applicants will be notified by September 15, 2019. The poster contest will take place during the **conference welcome reception on October 22, 2019**, and contest winners will be announced during the conference on **October 23, 2019**.

Selected applicants are expected to register for Wednesday (October 23, 2019) of the conference. A discounted registration of \$30 for students is being offered for Wednesday only.

Please contact Katie Greenstein (katie.greenstein@dnr.iowa.gov, 515-725-8400) with any questions.
