## Water Treatment and Distribution Conference

October 5, 2017

# Region II Fall Conference— October 5, 2017 NIACC

## Water Treatment & Distribution Operators

This Fall 2017 Region II conference is a must for anyone working in water treatment and related facilities.

This years' conference covers a variety of topics from source water to distribution system maintenance and operation. You're sure to hear an interesting topic, learn something new, eat some great food, and earn CEU's toward your Water Treatment & Distribution certification!

Be sure to pre-register to speed up check in at the door!

As always, we'll have lunch, and a chance to network with your peers and vendors.

North Iowa Area Community College is committed to the policy that all persons shall have access to its programs, facilities, and employment without discrimination based upon race, religion, colors, creed, sex (including pregnancy), sexual orientation, gender identity, national origin, marital status, age, disability (physical or mental), veteran status, or genetic information.
