

West Des Moines Water Works

Position:	Civil Engineer I or Civil Engineer II (Engineering Coordinator)
Pay Range:	Civil Engineer I: Pay Grade 9, \$67,338 - \$102,462/year Civil Engineer II: Pay Grade 10, \$77,817 - \$118,193/year
Application Deadline:	Open until Filled. (1 st review of applications April 28, 2023)

West Des Moines Water Works is now accepting applications for a Civil Engineer I or Civil Engineer II (Engineering Coordinator). This position is supervised by the Engineering Project Manager.

Successful candidates for Civil Engineer I will have a bachelor's degree in civil engineering or a closely related field and one year's experience in civil engineering, drafting, surveying, design work and/or construction. The candidate will be responsible for assisting with planning, designing, reviewing, and overseeing construction of water infrastructure. This candidate will also maintain and update the GIS system and distribution model.

Successful candidates for Civil Engineer II will have a bachelor's degree in civil engineering or a closely related field and four years' experience in civil engineering, drafting, surveying, design work and/or construction. The candidate will be responsible for planning, managing, designing, reviewing, and overseeing construction of water infrastructure. This candidate will also maintain and update the GIS system and distribution model.
